## **Unit Meetings for May - New Topic Focus on Basics (aka- League Action Training)**

Has the recent barrage of attacks against voting rights, education, the environment, or other issues got you thinking about getting to your battle stations and advocating for your positions? Are you sure you know the most effective way of getting a lawmaker's attention? Are you aware of the League's current legislative priorities? Do you wonder how to get involved? Because so many of you have commented that you feel compelled to "do something" about what has been happening in Washington and St. Paul, the Program Committee is postponing our scheduled topic on affordable housing in favor of putting together some guidelines for advocacy and steps for action that local League members can take to make their voices heard with policymakers. This meeting is also an opportunity for us to discuss how we as League members feel about the future direction of our organization as we approach our Centennial in 2019 (in Minnesota). What originally drew you to join the League, and are you still committed to the work that the League has been doing? What changes would you like to see in your local League? How can we support the priorities of the State League's strategic plan? This meeting will offer both practical steps and thoughtful discussion. Your local League: where the grassroots effort begins.

Don't Forget.....We have a Facebook page!  
If you are on Facebook, check out our page, "like it" and post something on it at least once a month.

You will find it if you search on Google for LWV White Bear Lake Area. It is set up as an organization page. That means we don't know who has liked it unless they post something.

## Annual Meeting Highlights

*Congratulations to Gladys Ritter, this year's Revolving Bear Award recipient. Becky Siekmeier, last year's recipient made the presentation.*

*Each year, a member of the LWVWBLA is chosen to receive the Revolving Bear Award in recognition of her contributions to the League. Gladys has served on the program committee and voter's service committee and is presently the unit leader for the St. Croix Valley unit. She has also served on the state board.*

*She is known to be quite the wordsmith, offers solutions to problems in a very tactful manner, is positive, extremely helpful, and dependable. Not only that, she has a great sense of humor. She often brings treats to the unit meetings for members and even to the host's dog.*

Liz Lauder, elected President of the LWVWBLA for 2017-2018

Betty Folliard, Annual Dinner speaker. Betty is a former representative from Hopkins and spoke as the current president of ERA Minnesota.

### Closing out the Year

The St. Croix Valley unit were wonderful hosts for this year's annual meeting! We were in the auditorium at Boutwell's Landing and the venue provided the food, which was delicious! Then we heard from former state representative and current President of ERA Minnesota, Betty Folliard. Betty told us about how close we are to having the requisite number of states voting to ratify the Equal Rights Amendment (in March, Nevada became the 36th state to do so). Will Nevada's vote count, because there was a deadline for passing the ERA: June 30, 1982. There is some work being done to remove the deadline, and some momentum out there to finally pass the ERA, so let's hope we can keep it going.

After Betty's talk, we conducted some business. We made some changes to the Program for Action, we voted on some new officers, and we approved the budget. I'd like to welcome Molly Anthony (North Oaks unit) as our new Voter Service Chair, and Mary Johnston (Mahtomedi unit) as the Membership Chair! We also approved the Program Committee's recommendation for conducting a 2-year study on the training of the police forces of Ramsey and Washington counties and the cities of White Bear Lake and Stillwater as it pertains to addressing racial bias and responding to incidents involving domestic violence, and mental illness. Then Becky Siekmeier topped off the evening by presenting the Revolving Bear award to this year's recipient....Gladys Ritter! Congratulations, Gladys! Gladys was honored for the many ways she has contributed her creativity and intelligence to come up with new approaches to topics, and for the hours of hard work she has put in behind the scenes to get the job done. Having worked with Gladys on several committees, I can tell you that she is all that and more. We're blessed to have her as part of our local LWV.

I want to thank our outgoing Board members, and especially President Stephanie McNamara, for their diligence, hard work, and dedication to the work of LWV!

Onward we go!

### **Capitol Tour Enjoyed by Seven**

Seven Leaguers enjoyed a guided tour of the renovated state capitol on Wednesday, April 26<sup>th</sup>.

Susan Fuler, from our North Oaks Unit, made arrangements for this tour which included the house and senate chambers, the governor's reception room and the state supreme court. Most interesting was a closer look at the architectural details and restored art work including the second largest self supporting dome in the world.

Many of the murals in the capitol had been so darkened by smoke and dust that the original colors were gone and details went unseen. Light fixtures have been restored to their original configuration, skylights have been uncovered, the tile floors have been revealed and in general the building reflects the original intent of quality and high artistic standards.

Here are two pictures from the tour, taken by Susan Fuller: The Governor's Reception Room and the North Star Emblem which is on the floor under the dome.
